

Financial Analyst, Real Estate – Vancouver

About Us

Gracorp Capital Advisors Ltd. (“Gracorp”), a subsidiary of the Graham Group, is a private market real estate developer with offices in Vancouver, Calgary and Toronto. On its own, or in partnership, Gracorp develops multi-family residential, industrial, retail, office and hospitality projects across Western Canada and the US Pacific Northwest. Gracorp is currently involved in developing projects in excess of \$1 billion and has numerous additional projects in the development pipeline.

The **Graham Group** (“Graham”) is a growing, dynamic and innovative construction solutions provider with a history of success dating back to 1926. As an employee-owned company, you will be able to capitalize on our collective success by becoming an owner yourself. You will also be able to take advantage of professional development, learning and growth opportunities, all the while working on exciting, leading-edge projects.

Graham ranks among Canada’s largest construction companies, is a Platinum Member of Canada’s 50 Best Managed Companies and is seeking top tier talent to further strengthen our capabilities. We provide a collaborative and caring culture and the necessary tools and support for you to succeed, both personally and professionally. If you’re eager to work on innovative projects, be part of a great team and become an employee-owner, Graham is the place for you.

The Position

Based in Vancouver, the **Financial Analyst, Real Estate** will support Gracorp’s real estate development team in its assessment of new projects and management of existing developments. Reporting to the local Director of Real Estate, the Analyst will support Gracorp’s local team of professionals.

*As a **Financial Analyst, Real Estate** at Gracorp you will:*

- Build, maintain, and update accurate cashflow models for development projects in Excel;
- Be responsible for aggregating and vetting inputs and assumptions to support business decisions and investor reporting;
- Identify and analyze the major risks affecting an investment opportunity;
- Utilize and summarize real estate data and analytics from various transaction databases;
- Assist in the due diligence, analysis and preparation of materials for investment committee approval;
- Assist in the management and financial tracking/reporting of existing projects at various stages of development;
- Assist in the preparation of financing materials for accessing the equity or debt capital markets, including offering memorandums, bank presentations and loan documents; and
- Assist in the preparation of quarterly and annual investor reports, valuations and other ongoing reporting and analysis to investors; and conduct industry and market research as required.

To be successful at Gracorp, you will have the following qualifications and experience:

- Relevant post-secondary education in finance or real estate development;
- 1-3 years experience or equivalent education in real estate development including real estate financial modeling experience;
- Advanced research, analysis, insight and presentation skills, including the ability to assist with the evaluation of diverse opportunities within different sub-markets;
- Passion for real estate development and finance with a proactive and independent nature including strong planning, analytical and problem-solving skills;
- A demonstrated thoroughness and attention to detail as well as the ability to consider the bigger picture and corporate strategic objectives;
- The ability to prioritize tasks and work on multiple assignments in a team environment; and
- Exceptional communication skills, both written and oral, in front of a variety of internal and external audiences.

Compensation and Benefits:

- Competitive salary with bonus potential
- Comprehensive benefits package including dental, optical, medical and company-matched pension plan.
- Potential ownership and long-term equity opportunities

What We Can Offer You

- Grounded and family-oriented workplace in a progressive environment that is at the forefront of a fast-evolving business sector
- Commitment to the training and wealth of opportunities for career development across job categories, project types and locations around North America
- Strong commitment to safety in the workplace
